'Institution Innovation Cell' MHRD, govt. of India established in Anand College of Pharmacy (SGI) Agra

An 'Institution Innovation Cell' (IIC) has been established as per the norms of Innovation Cell, Ministry of HRD, Government of India in Anand College of Pharmacy, (ACP) SGI, Agra.

As per directives of Dr. Kashmira J. Gohil, head of the institution (ACP), **Dr. Monika Singh (Asst. Prof.)** is appointed as the president of Institution innovation cell of Anand college of Pharmacy. Other team members are **Dr. Pankaj Verma (Convener)** and **Dr. Deepali Pandey** along with 15 students.

The Vice Chairman of SGI, Shri Y.K. Gupta, Executive Vice President Prof. V. K. Sharma, Dean **Dr. K. J. Gohil**, and project president Dr. Monika Singh thank the Ministry of MHRD and appreciate the efforts of the team who brought this cell to ACP.

The main objective of the Innovation Cell is to encourage, inspire and nurture young students by supporting them to work on new innovative ideas and transform them to prototypes. The students will get mentorship from industry experts, patent experts and alumni of the host institution. There will be opportunity for the students to showcase their talents in Competitions. AICTE through another platform had invited problems of Industries from all over India to facilitate the students to work on Industry problems. During the event the AICTE had launched the novel initiative 'AICTE Students Internship' and 'Technical Teachers Training Policies' facilitating students and faculty members of academic institutions across the country.

Students of Anand College of Pharmacy Launched Awareness Campaign for School Students

Awareness campaign on Dengue, Chikungunya and Malaria were organized by Students of Anand College of Pharmacy (SGI) to create awareness for diseases in nearby rural areas like Lohakarera, Runakta. Faculty Coordinators **Dr. Monika Singh** and **Ms. Preeti Solanki** coordinated this Awareness campaign. Schools covered are SHAMFORD (Jaupura, Agra), Shri R. S. Public School (Sikandra, Agra), Draupdi Higher Secondary School (Shastri Puram, Agra) and Sun Lords Public School. In this campaign students give information about diseases, prevention and their treatment for dengue fever, Swine flu and others.

Dean, Anand College of Pharmacy **Dr. Kashmira J. Gohil**, feels proud on such kind of community services and told that Pharmacists need to utilize this noble opportunity to serve the community by using technological skill to their best of the abilities with right balance of kindness and compassion for self growth as well as others, as the science and technology alone, can not take away all the ills of mankind, was the gist of the message.

HEALTH AWARENESS CAMP and SCHOOL CONNECTING PRORAMME 2018-19

Anand College of Pharmacy had successfully conducted the “SCHOOL CONNECTING PRORAMME 2018-19” in selected schools of Agra. The SCP coordinators Mrs. M. Shamshath Begum (Asst. Professor), Dr. Monika Singh (Asst. Professor) and Mrs. Preeti Solanki (Lecturer) conducted the program under the guidance of Dr. Kashmira J. Gohil (Dean, Anand college of Pharmacy). They highlighted the issues of national importance and general awareness regarding Health (Dengue and its Safety) which is necessary for the community, specially the students who are the future of nation. The coordinators organized “SCIENCE QUIZ COMPETITION-2018-19” for the 12th class students targeting 15 schools in and around Agra-mathura regions (including M.D. Jain Boys Inter College, Hariparvat, Agra, JSL Boys inter college, Avantibai Girls Inter College, Chalesar, Agra, RS Public School, Sikandra, naming the few).

They also explained the importance and need of Pharmacy, a noble profession, which endeavors to provide cost effective drugs and medicines to the people. They counseled students by highlighting how a student might maximize their ability by selecting correct profession at SGI group, which can help students to meet the changing needs of the profession. After that Mrs. Shamshath Begum and Dr. Monika Singh also did students “CAREER COUNSELLING” by clarifying their doubts regarding pharmacy, engineering, BBA, MBA and other professions.

INDUSTRIAL TOUR

B. Pharm 3rd year and 4th year students of ACP along with two faculty members as tour Coordinators **Mr. Gurvinder Pal Singh** and **Dr. Mukesh Kumawat** went for an industrial visit from 16th October to 20th October, 2018, visiting two companies as :

- 1) **Meek Pharma Pvt. Ltd. (Rudrapur) : a veterinary drug unit**
- 2) **Parle Biscuits Pvt. Ltd., Pantnagar**

The students were provided a wide exposure to the manufacturing facilities and were extensively benefited by the company professionals. Students had a chance to visit & interact in various departments such as production, QA, QC. Over all, students benefited from the visit & had a memorable experience as they had fill in the gap between theoretical and practical knowledge. At each steps, in this visit, the industrial people replenished the knowledge of students.

At the end of visit, on behalf of ACP, coordinators expressed a wholehearted thanks to the both Industry teams for their kind co-operation and providing opportunity for industrial exposure which has definitely enhanced the knowledge of students to achieve one of their professional goals. The students also, visited Woodland Waterfall, Naini Jheel, Nainital Mall Road Kainchi Dham, Neem Karoli Baba Temple, Golf ground Ranikhet, Frog Point and Metropolis Mall, Rudrapur. After returning to the resort, the students enjoyed zealous DJ Party Night and Bonfire.

Dr. K. J. Gohil, Dean of the college motivated the team to keep organizing such tour to better industries in future at regular intervals when directed.
