We are witnessing some unprecedented time lately due to covid-19 when everything has gone online in the world and we are living the dystopian existence. Anand College of pharmacy has started the online classes for students even before the nationwide lockdown was announced in March, 2020. I heartily applaud the efforts of all faculty members who are still rigorously working online to fulfill their duties towards our students and college, in this corona times. When the teaching work goes online, it requires tremendous efforts to prepare and dispense knowledge and professional skills, extra discipline and extreme regularity to keep the work going. May the few, who are still trying to live up to the mark, take good examples out of this and build up their efforts to the next level. Reach out to all the students, coach well with online videos in prescribed format, distribute effective notes and maintain regularity of your sessions as per the time table scheduled to improve online attendance. It's also our moral duty to boost student's morale too, in these tough times.

The students too ought to doubly match the efforts of faculty members and respond with equal alacrity, punctuality and sincerity to take lessons online, looking at the gravity of the situation. Remember, we are a team and academic excellence can only be achieved, if we all work together.

Also, exercise caution. Wear masks sanitize and Stay safe.

Till we meet again in classrooms, hopefully shortly;

All the best,

Wishing you all, a Happy Diwali and blissful New Year, in advance!! May you all be happy, whole and healthy.

Best Wishes,  
**Prof. (Dr.) K. J. Gohil**

## Interactive Session on Innovation and Ideas at Anand College of Pharmacy as a part of IIC Activities

An interactive guest lecture of Dr. Manu Saxena (Ex. Head and Chief Scientist, CSIR, Ghaziabad) was conducted at Anand College of Pharmacy in B. Pharm. Hall for B. Pharm. students in 2 sessions of one hour each at 11:00 am on 15th November 2019, Friday, as a part of Institution Innovation Cell (IIC) Activities. The topic of the workshop was “Creativity, Innovation and Product Development”. Dr. Saxena spoke on creativity, which is the capability or act of conceiving something original or unusual and Innovation as the implementation of something new. Invention is the creation of something that has never been made before and is recognized as the product of some unique insight. Dr. Saxena elaborated by differentiating the two with several examples of Invention and Innovation. He elaborated the different ways to think differently or in creative manner to solve problems, develop lateral thinking to look at things in a new way. The guest speaker conducted various group exercises and activities among students which they thoroughly enjoyed with an avid interest. Different stages of product design and development were elaborated in detail by the guest speaker. The students and staff participants were deeply motivated.

Prof. (Dr.) K. J. Gohil (Dean, ACP) presented memento to the guest speaker as a token of appreciation.

Mr. Gurvinder Pal Singh (Asst. Prof., Pharmaceutical Chemistry) and Mr. Yogendra Mavai (Asst. Prof., Pharmacology) and Mr. Vikas kumar (Asst. Prof., Pharmacology) were the coordinators of the event and Mrs. Shamshath Begum (Asst. Prof., Pharmaceutics) hosted the event.

## A Seminar on AYUSHMAN BHARAT, GENERIC MEDICINE and CAREER OPPORTUNITIES in Anand College of Pharmacy, SGI, Agra

A seminar on “Ayushman Bharat, Generic Drugs and Career opportunities in Healthcare & Pharmaceutical development Sector” was conducted in Anand College of Pharmacy, SGI, Agra on 10<sup>th</sup> February 2020, at 2:30 pm, Friday by guest speaker Dr. Saurabh Kumar Banerjee (Asso. Prof., IIHMR University, Jaipur-earlier known as Indian Institute of Health Management Research, Jaipur, World Health Organization's Collaborating Centre).

Dr. Saurabh Banerjee spoke on Ayushman Bharat Yojna and how it will lay down an ambitious framework for Universal Health Coverage by giving assured affordable and quality health cover to poor people in India and the national health protection scheme covering primary, secondary and tertiary healthcare. In the last one year, Government has been emphasizing on the affordability and quality of pharmaceuticals in the country, especially after Prime Minister Modi's announcement last April on making generic drugs mandatory. Doctors were also mandated to prescribe only generic medicines in the essential drug list for patients receiving treatment there. Generic medicines are equally safe and effective as compare to Branded drugs as per the World Health Organization.

Students were informed about the ample opportunities made available by Govt. of India recently under this Ayushman Bharat or Pradhanmantri Jan Arogya Yojna (PMJAY), Govt. sector as Strategic Alliance Management Services Pvt. Ltd (SAMS) is specialist in recruiting students to India's Public Health, Development and CSR Sectors. All students and staff participants found the information very useful.

Dr. K. J. Gohil (Dean, Anand College of Pharmacy) presented memento to the guest speaker as a token of appreciation and informed students further about update on generic medicine and upcoming recruitment in Government sector for pharmacy students.

Dr. Rekha T. Rajput (Asso. Prof. , Pharmacognosy), Dr. Monika Singh (Asso. Prof., Pharmaceutical Chemistry) and Mr. Gurvinder Pal Singh (Asst. Prof., Pharmaceutical Chemistry) were the coordinators of the event. Dr. Monika Singh hosted the event and Dr. Rekha T. Rajput delivered vote of thanks.

All meritorious students (B. Pharm. and D. Pharm.) and AKTU Zonal fest 2020 winners were also felicitated, by cheque from Anand College of Pharmacy, SGI, at the end of the event.
